Directions to Blood Bank

1

Walk past the four elevators. Make an immediate left after the elevators and continue down the corridor. As you walk down the corridor, there will be occasional signs above reading, "Blood Bank." At the end of the corridor, open the door with a sign above it reading, "DTM (Blood Bank)."

2

Once you go through the door you will immediately pass a stairwell on your right. Turn right through the double doors just past the stairwell.

3

Make an immediate left after you have gone through the double doors and continue straight ahead through one more set of double doors.

4

Continue going straight until you reach a door with a sign reading, "Blood and Platelet Donors" above it. Go through this door and turn left. The Blood Bank Desk will be on your left.
